

"DECATUR COUNTY AMATEUR RADIO CLUB" Net Script

QST from (your callsign). Good evening and welcome to this week's session of Decatur County Amateur Radio Club net. This net meets every Thursday evening at 7:pm on the KA4P repeater located in Decaturville, TN. -----

The repeater frequency is, 443.325mhz, with a PL tone of 131.8 and is linked to the KA4BNI repeater system. If this repeater is down the net will meet on 146.55 simplex. This net is directed by a net control station. It is my pleasure to be your NCS for this session. My call is (your callsign). My name is (your name). I am located in (your QTH) -----

The purpose of this net is to train amateur radio operators for emergency communications, to discuss club business, to pass general information, and to have Fun! We are a friendly net and encourage ALL amateur radio operators to participate. You do not have to be a club member to join the net. When you check-in, please key your mic for a couple of seconds before you speak to allow the repeaters to link up. And Please give your name and call sign Phonetically. -----

This net can be broken at any time for emergency or priority traffic by using the word "BREAK". At this time is there any emergency or priority traffic? Please come now. -----

Announcements

The Decatur County Amateur Radio Club meets at 7:pm on the second Monday of each month at the Decatur County EOC building located at 66 West 2nd St. in Parsons TN. The club's web site is www.decatuarc.org.

(add announcements here)

Does anyone have any other announcements for the net? -----

(your callsign) for ID.
